“ I met Aimie when I came to work at Parkridge Medical Center as the lonely night shift pbx operator. Aimie was the first person to stop and talk to me, actually the first thing she said to me was "how do you sit there all night, hi my name is Aimie". From then on I knew I had a friend, whenever we worked together, she made it a point to find time to come and talk to me, I'll miss that. My prayers are with her family, especially her kids, she talked about them all the time. She was a special person. “ Dear Deb, It broke my heart to see your beautiful daughters picture in the obituaries. I can not imagine losing a child at any age, but she was so young and beautiful and a baby coming only makes the loss greater. I know having the two boys will make it better. Deb I live in Nashville now and only come to see my Dad or I would be at the church. I wanted you and Maxine and your brothers to know I am thinking about you and asking God to help you and heal you in time to come. She looks just like you Deb and the last time I saw her she was just little and you lived in that house right on 27 in Evansville. I stopped to visit a few minutes and I think that is the last time I saw you. I still think of you fondly and Mike also. You were good friends when we were kids on the bus and at church.
