“ I think about Al and his children sometimes still although I haven't seen any of them in 43 years. I have clear memories of all of them but they are a six year olds memories. He's been gone for awhile now but I have just learned of his passing. I wanted to give my condolences to the surviving members of his family. I pray you are resting in eternal peace, Al.

“ My heartfelt sympathy goes out to Al's family. He was very special to me. He was known to us as our "PawPaw"...even though we were not related. He loved life and I truly enjoyed talking to him anytime I would see him around town. The last time I got to see him was at the flea market in Soddy about a month ago. I will surely miss him. My thoughts and prayers are with you all. Sincerely, Sue (Jackson) Davis
