“ Grandpa

Oh, how I miss you, your smile and humor, your prayers and love, I miss hearing you and Grandma reading the Bible together at night and Christmas isn't the same without you sharing the story of Christ with your family before opening gifts.

You left such an impact on many lives...and now, Aunt Miriam joins you as y'all wait for us left behind to join you. I love you, thank you for being such an amazing man of God and teaching your girls, grandchildren and great grandchildren about Christ!

“ God blessed our world with Rev. Levensgood's life. I am very thankful to say he was my 6th grade teacher & principal at Spivey Elem. Rev. Levensgood also married my husband and I at my parents home 35 years ago. He will forever hold a special place in our hearts. Heaven must be rejoicing to have him join them, but we pray for God's strength & comfort for his family here on earth. May God Bless You All.

“ The words that immediately come to mind are, "a man after God's own heart." I remember a gentle, kind, and loving man who lived in our neighborhood. Brother and Sister Levensgood and their family were my first exposure to Christians who called themselves Baptists. I would grow to claim the tradition. Brand names were certainly not as important to him as the Gospel of Christ - which he shared convincingly in both word and action. My deepest condolences to his family and community.

*Dear Levensgood Family,
Please know that I am praying for you at this difficult time and know that you are rejoicing that Al is with the Lord he served for many years. Thinking back I remember him as a college student when I first met him. He served the Lord in many ways--I got to even teach with him when he was down the hall at DCS.
May the Lord be with you all and give you His strength and good memories of your loved one.

“ I remember my children attending Waldens Ridge school where I met Rev. and Mrs Levengood, she was the principal. He supported his wife, the PTO, the teachers and the students with many kindnesses.. Both supported Cumberland bible camp and lived a godly example for the many years that I lived in that area. My prayers are with his family and those they love.

“ I never saw my Uncle Al be anyway but kind and loving. If there was a man that modeled his life after my Saviour, it was my Uncle Al. I know that he would not think so, but I saw it in him. I truly loved him and always called him my "Favorite Uncle". He was comitted to the Lord, and did now waver in his beliefs. He will be missed, but oh, the welcome he must be getting in heaven. My grandpa and grandma are dancing with delight to have another family member come home. I am sure Uncle Al is happily and humbly kneeling at the feet of Jesus. Love you, Uncle Al!

Thank you Aunt Joyce and family for the wonderful care you provided for Uncle Al. There has never been a family so devoted to a loved one as your family has been, even down to the grandchildren, great grandchildren, and great, great grandchildren. May the Lord bless you for being His faithful stewards. Love you all!

“*Bro. Al's commitment to the Lord, the church and his family not just inspired me. It inspired my pastors and others who inspired me and helped me to become the woman I am today. He was a great influence on many people directly and indirectly. I love this family for the great love they have for me, each other but most importantly the Lord. What a great example I have to follow. He will be missed but I look forward to seeing his family and friends to celebrate his new permanent home!*”
