“ So sorry to hear of your mother/sister/grandmothers passing. Gem, as I always knew her by, was always special to me when I lived at Graysville. I saw her while back when visiting with Agnes(Snooks as we called her). She was so tickled to see me. The picture posted with the obituary is the way I remember Gem from years ago. May God richly bless you all. Know you all are in our prayers.

Love to you all.###imported-begin##Wanda Rankhorn###imported-end##

“ *My Daddy, Charlie Kelly, also worked at Keyser Roth Hosiery Mill. He thought so much of your mother.*

I wonder if she ever shared with you the story about Daddy getting stuff out of their lunches. All the ladies got together and put peanut butter and chocolate sandwiches in their lunches one day.

They had a big laugh seeing Daddy run to the bathroom all afternoon. The chocolate was Ex-Lax!!

Your Mother will always be remembered as a lovely lady with a wonderful sense of humor.

Sincerely,

Pug Martin##imported-begin##Mary "Pug" Martin##imported-end##

“ *Gem certainly lived her life as a "Gem"*

She was one of the sweetest people. She was so good to my Mom when she was ill. She always made time to visit her occasionally and sometimes brought along one of her famous coconut cakes for Mom and Dad to enjoy. She will always be remembered by me as a true GEM.

My love,

“ Aunt Gem was a very special lady. She was always so loving and concerned with every aspect of her family's lives. She was a vibrant lady, always full of conversation and friendliness, always quick to laugh and share stories. Aunt Gem was a wonderful cook, we always looked forward to her coconut cakes at Christmas time. We will certainly miss this special lady that we loved so much. Daddy spent so much time with her, his heart is broken to see her go.

Bobby, Archie and families, our prayers are with you as you struggle through the sad days ahead. There's nothing to compare with the loss of a mother.

I love each of you dearly,
Your cousin Donna###imported-begin##Donna Reel

“ Gem was a wonderful, sweet and helpful person. She had sweet words for our family during our loss of my mother many years ago. We will always remember her kindness. Gem would call for Reece to come eat with them when he would be working in the field next to her house. He will always remember her kindness. We will always miss her. Love and prayers for her family.
