“ Amanda and I had became best friends over the past few years. Like all close friends we had some increadiable and awesome times! We also experienced our share of trials and troubles, but no matter the circumstances Amanda ALWAYS made the situation better!! When i begin to get down and out i look up and remember how my dear friend is up there smiling, taking care of my precious daughter until my time comes to join them!!

“ Dear Neighbor,

Hello. My name is Jessica Staggs. I was not able to speak with you personally, but wanted to write and send my deepest sympathies for the loss of your loved one. This a very difficult time for you and your entire family, and I hope these Bible verses can provide you with even a little bit of comfort.

WHAT THE BIBLE TEACHES

? The Bible's resurrection accounts give us a sure hope.—John 11:39-44.

? Jehovah is eager to bring the dead back to life.—Job 14:13-15.

? All of those in the common grave of mankind will be resurrected.—John 5:28, 29.

Revelation 21:3,4 tell us that the suffering we all experience, the tears and the pain, will all be a thing of the past. And yes!, even death will be no more. How we long for that time.

The website www.jw.org has these and so many other comforting articles taken directly from the Bible that may be of some encouragement to you and your family.

We also would like to invite you to our weekly meetings. PERHAPS you have passed a Kingdom Hall of Jehovah's Witnesses in your community and wondered what takes place inside. Did you know that our weekly meetings are open to the public? Visitors are warmly welcomed. Attending meetings at the Kingdom Hall can be a very rewarding experience. You will learn about God, and through the Bible-based instruction you receive there, Jehovah

God will teach you how "to benefit yourself."?—Isaiah 48:17.

The meetings of Jehovah's Witnesses are free, and no collections are taken. Would you

“ It's always sad to lose someone that has been in your life, someone you share memories with. Amanda and I got really close after high school and were unseperatable for a few months. In that time we made a lot of fun memories... One of the craziest and probably the funniest was being stranded in Panama City beach for a week with no car and no money. But we made the best out of it and had fun!! We let a few things come between us and grew apart. I haven't spoke to her in 12 or 13 years but she will always be part of my past and she will be missed. My thoughts and prayers are with her family and the ones she loved the most. May you R.I.P Amanda

“ We are so sorry to hear of Amanda's death. We remember Amanda as a little girl when we moved across the street from y'all. She was always a very sweet and loving child. Our thoughts and prayers are with the family. Having lost 2 sons, we know what the family is going through. Our prayers are with you. In Christ. Terry and Dianne Tuckier
