“ She was so kind, sweet, and would help anyone out. We went on a 8th grade trip together in 2009. I am very thankful I was able to grow up with her. Rest easy! Hope you enjoy painting with the angels 😊

“ Anayeli helped me out so much in high-school. When others would pick on me or bully me, she would offer her kindness and love. She was truly a beacon of light and will be missed dearly. She may be gone physically, but she will not be forgotten! I will look for her in the sunrises and sunsets because I'm sure she will be painting the sky and making it all the more beautiful. So much love to Anayeli and her family.

“ *The world is a lot dimmer without her sweet self in it! She was such a special young woman. I had the pleasure of working with her at the Academy.* ”
