“ I met Michele when she volunteered with the Relay For Life and she became my friend. Michele was always helping out where ever needed and she could sell anything and everything to help us raise money. She was a dedicated volunteer and a good friend and I will miss our time together. The committee all sends their condolences.

“ I love working with her cycle counting. We had a lot of fun together. We would get off work run to micheal's, hobby lobby, or a.c Moore's looking at the sales on scrapbooking supplies. Then out to eat somewhere she picked where. We liked trying new places out. She was a beautiful lady inside and out. Michelle I love ya sis until we meet again
