“ Anna was so very sweet and friendly person. I even felt that she was my granny. I do love her whole bunches and sure will miss her so much. I will not forget her at all. She will always be in my special heart. I sure will remember those times we spent time together. I'm sure that she would want me to be happy instead of being sad over her. Love you always, Melissa###imported-begin###Melissa Morgan###imported-end##

“ Anna was a dear person who always had a smile on her face. She was not only a homemaker, she was my sons' babysitter. They were well-cared for and well fed. I always felt at home when I was in her kitchen with the smells of bread baking. I'll miss her and I know her children will, too. Praise the Lord, this isn't the end. We'll see her in heaven when Jesus comes.##imported-begin##Tommie Sue Burchard##imported-end##
