My 2nd mama. I love you so much. We had a lot of really good times on our lunches wish there had b more of them. You rescued me a long long time ago from a terrible situation and I'm so very grateful to you and uncle Al. You both certainly made a difference in my life. You will be missed a lot and I will take comfort in knowing that you're looking down on all of us with that beautiful smile and your silly little giggle that used to make me laugh. RIP mama. I love you.
