“ Audrey was one of the most courageous people I have ever known. She was a gentle spirit with deep conviction that God was in control of her life. I was honored to call her a friend. I talked with her a few days before her surgery and was astonished, as always, at her ability to cope with her endless health problems. She was such an inspiration to me, and my family. I don't expect to ever meet another person like her again. The world's loss is heaven's gain, for she is surely there. My prayers are with you all.##imported-begin##Mark Kennedy##imported-end##

“ I met Audrey in the Atlanta airport on the way to Leader Dogs for the Blind in October of 1994. She was joined with Leader Dog Lady and I with Mississippi. We had the same trainer, had a great time in Michigan, and have been friends ever since. We managed to stay in touch through the years. No matter the distance between us, our friendship remained strong. I will miss her; but know that we will see each other again at our earthly life's journey's end. The family is in my thoughts and prayers at this time.
