“ I am sorry for the loss of Barbara Hughes. I did not know her but she seems like very sweet person by looking at her picture. She left behind several immediate close family members and close friends which cause lots of pain, I know for a fact cause I loss my own mother 4 years ago at the age of 56. May anyone in grief stay close to God to receive support from him. My condolences goes out to anyone that was close to Mrs Hughes.

“ Barbara and I became friends when I moved to Graysville many years ago. We used to walk home from Graysville School together in the afternoons. She lived just across the bridge from me, so we had quite a long walk and we got to know each other really well. We were also together in Nip McNabb's Sunday School class at Graysville Church of God. In second grade, she and Maw Nelson gave me my first puppy. I kept her for 17 years. Anytime I saw Barbara through the years, we picked up right where we had left off in our conversation. She had a beautiful soul. I will forever cherish the memories we made as kids. RIP Sweet Barbara.

“ I've known Barbara since I was a kid. She was always so full of life. She was ready to try new things. She always seemed to love life. Always friendly anywhere you saw her. She would always make you laugh. She rode through the Parade with us. I think she really enjoyed waving at everyone. I remember her on a horse at one Festival. When I think of Barbara I think of her humor and friendliness the most. She was one of a kind. Glad I was bless with knowing her.
