“ Dear Madam, I belong to Your ardirems for years. I like Your way of handling your dog in the ring and all the interesting moves You can perform with Your dog. Therefore I would like to address You with a proposal to give a Heelwork to Music workshop in the Czech republic this year, if you have few free days in Your calendar still. I would like to offer You several dates for a possible cooperation. 11th July – 17th July or 19th July – 25th July: we organize two camps in ChotĚboř, small town 100km from Prague. The lectures will be held on the carpet in a gym already used for the National Championship of Dogdancing twice. We would like to invite You for any one of there terms, the choice depends on Your available time. We can arrange traveling, meals and accommodation for You. If You decide to take Your dogs with You, we will be pleased. 18th July there is going to be a small Dogdancing competition; we would be honored, if You would like to join us as a judge or competitor. Since the 1st of March we have opened Dogstudio in Prague – an area with 120m2 spaced ring, equipped for Dogdancing with mirrors, etc. We would like to held weekend-long workshops during the year and we would be pleased, if you accept an invitation to teach on any of the workshops. If you are interested, please send us few dates You would like to come, so we could choose one to invite You. The space and tools will be fully available for Your needs. I am looking forward for Your reply, Yours faithfully, Lada KrejĚove1##imported-begin##Amornrat##imported-end##

“ I am so sorry to hear of Barry's passing. I consider myself lucky to have known him for the few years we were friends. He always had a grin on his face and never failed to make me laugh. Although it has been many years since I left, Barry would slip into my memories of times past and I would always pause and smile. My condolences to the Simpson family and relatives.##imported-begin##William Burton##imported-end##
