“ *Dennis,  
I have only fond memories of your Mom. She was a class act and my heart aches for you and your family during this time. The good news is that we have the promise of being re-united with those that we love and that have accepted Jesus as their saviour. Thanks for returning my call regarding your Mom. Momma and Daddy were so concerned about her. I am in Nashville so I may not get to come in for a couple of weeks. I will come and visit you when I do.  
Love Ya,
