“ Dear Carter Family:
I am Jerry and Martha Lane's daughter, and I've been emailing with Debby about the passing of your wife and mom. I am so sorry about her passing at such an early age, and I know that she will be greatly missed on this Earth. But I know the angels are rejoicing, and I know that she and her brother, my grandfather, Doc Kiser, as well as other family members are happy to be together again for eternity. You are in my prayers as you are left to miss her. She was a special woman surrounded by many loved ones and this place will be less without her here. Sincerely, Dawn##imported-begin##Dawn Odom Lafferty##imported-end##

“ Mr. Carter and family. The last time I talked with Mrs. Carter was at the beauty shop. I enjoyed talking with her. My Mother Katherine Holland sure loved her and loved it when she was on duty. Mother tended to her family and many other people up at the RCNH that did not have any one. I will pray for you all as Mrs. Carter will be missed. You all have always been very nice to us, God Bless you all Charlotte and Bill Harris##imported-begin##Charlotte E. Harris##imported-end##

“ Dear Uncle Carlos, Phil, and Debbie,
We wanted you to know that you are in our hearts and prayers. I have wanted to visit you and Aunt Betty for years. We forget that our time is limited. I remember the wonderful times that you visited us in Virginia Beach and the times we saw you in the mountains and at Aunt Ellen's and Uncle Cecil's. We wish we could be with you now. All our love and prayers.

“ I first met Betty in the late 80's, when my husband and I first moved to Dayton, Tn. I became employed at Rhea County nursing home as an LPN and had the privilege of knowing Betty and working for her as well as director of nursing. She always wanted only the best care for her patients and loved all of them. I am so very sorry to hear of her passing. She was a very warm and caring person. So sorry I did not keep in touch with her over the years. May God be with all of you at this difficult time.##imported-begin##Donna Hirt##imported-end##

“ I worked with (for) Betty from 1980 - 1983 at the nursing home, and I always admired her. She was a wonderful person, and while she now has her final reward, this world will not be the same. Nursing was the perfect career for her, a she loved others more than herself. Although I hadn't seen her in a few years, I always felt like we were friends, even years after I worked with her. For her family I pray for comfort and peace, and that you through faith in Christ one day you will see her again.##imported-begin##Brad Harris##imported-end##

“ Carlos, Debby & Phil: Aunt Betty was a special light in all things on this earth that she touched with her presence. I'll never forget the years that we sat on the sofa looking out the window, waiting for all of you to arrive for the holidays and in later years looking for that wonderful lemon cake that Aunt Betty would bring for everyone to enjoy. What a gift she was to all of us!! Love to you all. See you soon. -Ruth##imported-begin##Ruth (Davis) Metzger##imported-end##

“ Betty was a very special lady and made her many friends feel special often giving them a big hug when she saw them. To know her was to love her!
Our sympathy goes out to Carlos and his family in their great loss, but we know that Betty is now in heaven with our dear Lord.##imported-begin##Bill & Maxine Baisley##imported-end##
