“ *Betty was part of my Graysville Church of God family all my life. Always so friendly and caring, and those amazing strawberries she made for special events! She wrote the recipe for me and included the sweetest note, I'll treasure it always. She was a lady so easy to love. My thoughts and prayers are with you Kathy, Pam and families. I love you all.*

“ *Pam - I am so sorry to hear of your loss. Momma Betty was such a wonderful person. I always felt so welcome at her home and felt like I was a part of this wonderful family. I loved her and will never forget how she always treated me as one of her daughters. I love you my dear friend, and I am here if you need ANYTHING! Love and Hugs...*

I met Betty after I married her Grandson Chad. She immediately made me feel like I had always been a part of her family. My fondness memories were spending Christmas Eve's at her house and her always asking me if I had enough to eat. One other thing is that I absolutely loved her laugh. I will always love and miss you. Kathy and Pam... You, Betty and Edison have been like family for so many years. I will never forget the food, fun, fellowship, and laughter we shared. May God comfort you and bring you peace that passes all understanding.
