“ *Mitzi and Mitchell, Can't be with you in person today, but you're in my thoughts as you say good-by to your mom. Not only you, but everyone who knew her, will miss her smile and friendly ways. My mom treasured your mother's friendship. Both your parents were wonderful; so involved in your school activities, sports, careers, etc. May your wonderful memories help you at this time. “ Dearest Mitchell,  
The passing of a loved one, especially your Mother, is so very difficult. You will miss her dearly throughout your life and no words I can say will ease that lost feeling. This poem has helped me and hopefully it will help you and your family as you say goodbye to her body but not her spirit.  
Those we love don't go away; they walk beside us every day.  
Unseen, unheard, but always near; still loved, still missed and very dear.

With heartfelt sympathy,
