Mother, Its almost 3 years since I last hugged you and had to let you go. I am so lost without you Mother. I hope you knew and felt how much I loved you and that I always wanted the very best for you. I miss you and Daddy so much and I yearn to see you both one day. I can hear your laughter, and with every red bird, I feel your touch somehow. Rest In Sweet Peace, I Love You Both!!!##imported-begin##Carol Ann Crawley-Ballard##imported-end##

“ Chuck

I'm so very sorry to hear about your mom. I can only fear what you are dealing with right now. Know that you and your family are in my prayers. Just know that she is in a better place and you will see her again, like you have never seen her before.

“ Nanny,

Little did I know that you would leave this world so quick. I will always cherish the good times and the many memories that we made together. I will never forget all of our late night talks - I can still hear you laugh about the funny stories that we'd tell each other. I know how your heart felt and I'm so proud that you always told me that I was your 4th child. Nanny, I love you so much. It's still like it's not real and I am expecting you to call so I can stop at the store and pick you up some groceries or your medicine. I sure will miss our holiday dinners and your fried potatoes and pinto beans. I would eat until I couldn't eat anymore. I know that you're at peace now and you finally have that mansion that we had talked about before, your yard will always be pretty and you will have the most beautiful flowers ever! I know that you will always be my ANGEL - you promised that you would always watch over me. I'm thankful that I had such a wonderful gr-mother. I will see you and Papaw again oneday, God knows how special you were here on earth, that's why he needed you there. I love my Nanny and until we meet again, here's a kiss for you. I know you are at peace now but I will never get over the emptiness that I feel without you. I will take care of Moma for you. Your wishes will be carried out, just as you wanted. That's my word back to you. Good-bye Nanny - I will see you in heaven.

Love always.... Angie##imported-begin##Angie Shipley - Nanny's first grand-daughter##imported-end##
