“ *The best father a girl could have!*

You have taught me so much in life. How to love the Lord, how to love & treat family & others.

Dad you never met a stranger, you like everyone and they liked you. You always had a joke or a story to tell about your life. You always made everyone smile. You had along life some was hard & some was easy but it was always exciting & you made the best of everything turning it into a great experience which you passed on to us. We had a lot of good times together, I will never forget.

You suffer no more, you walk with the Lord on the streets of gold. You get to be with your family & friends who have went before you. I can see you now, if there are 4 wheeler's in heaven Jimmy is saying come on Bill lets ride I'll show you around.

I love you daddy & will miss you!

Until we meet again

Your Loving Daughter.
