“ Bill, This is your favorite sister Becky, I've not only lost my brother, but I've lost my friend and my card playing partner. I sure do miss those nights, but I know that your not suffering any more and that make us all feel better just to know that your gasping for air anymore. We love you and miss you very much. “ *Bill was a special person who always kept going and had a smile and a hug ready! We enjoyed serving as Pastor and Pastor's wife to such a great man!*

Bill, we will miss you, but know you are where you have no trouble breathing, no pain, and united with Jesus and your loved ones!

Our prayers are with the family in this time of loss.
