I met Bobby while he was stationed in Norfolk and he was best friends with Louis Sylvester who had become a friend of mine. Bobby and I stayed in touch for many years and I miss talking to him and hearing about his girls and how much he loved them. I was even a tour guide for them when we all went to Bush Gardens when the girls were little. I have so many great memories of him and I think of him often. I miss you my dear friend. Go rest high on that Rocky Mountain Top for we have watch. God Bless all of you.

I couldn't believe it when I searched for Bobby on facebook and found that he had passed. None of you there know me, but Bobby and I went out a couple of times while he lived in VA Beach. He was such a sweet gentle man with such a sense of humor. How we laughed and cut up about our singing to the radio and the time we went to see Wade Hayes and riding the log flume at Busch Gardens. Oh how the memories come flooding back, how he was having such a hard time getting past a bad relationship. My heart goes out to you Christy and his mom and especially his girls. May God bless and comfort you! I still can't believe he's gone.

He was on my mind today for some reason...I still can't believe he's gone and I'm sure that you, Ms. Bowen, feel that way every day. May you feel God's comfort around you over the coming months with the holidays coming. I know from my own personal family losses, these upcoming months are the hardest part of the year.
