“Bonnie and I first met in 6th grade, we had all the same classes and we became instant friends. When we were starting high school we preplanned our class load and made a pact to graduate early our senior year, and we did it! Bonnie threw me my first baby shower, and babysat my kids when I was working. We were BFF's before that was a thing. No matter how far apart we lived, we always kept in touch and I would always look forward to our next visit. I miss your smile and your laugh. My heart is broken, and I look forward to the day I see you again on the other side. XXOO Jayne

“ Jerry, there are no words. Bonnie will always be remembered for her laugh and her kindness. My heart is heavy knowing she is gone and you are suffering without her. I am so happy you got to spend time doing the things you both loved.

“ Bonnie was a rare person. Her inner light shined brightly for all to see. She always had a smile usually followed with laughter. We were neighbors in Dayton and my fur babies adored her. She was kind, caring and a joy to be around. I will miss you Bonnie.

“ I remember as a child we would visit our cousins regularly , those were good memories but what I remember the most was Bonnie's active life with Jerry, they seemed to know how to really live. I always looked forward to the family reunions to hear about their adventures and what was next.

I worked with Bonnie at Walmart and she was a very nice and caring lady. She always had a smile for you no matter if she was having a bad fair not. She also resides in my neighborhood and she loved animals and as matter of fact she rescued her male dog, Buddy. She brought Buddy by to see us when she went for a walk after Buddy got out of obedience school. You will be missed Bonnie. RIP in the arms of Jesus.
