“ Brenda is my 1st cousin. I'm a good bit younger and I remember being awestruck by her beauty. She was even more beautiful inside. What a gift from god! I pray for her family. She will be so missed. Love you, Brenda. The Arnold's.

“ Remembering Brenda with love and admiration.... I knew her from the First Baptist Church family decades ago and I also was fortunate enough to work with her at Robinson Mfg. Co. for many, many years. I also had an 'Oak Ridge connection" to Brenda (mutual friends/family). Brenda was a person of integrity, Brenda deeply loved her Savior, Jesus Christ and was a great representative of Him. Brenda always cared enough to ask the right questions so that she could pray specifically for you and your family or your situation. Brenda was empathy personified. Brenda was an absolute joy to work with at Robinson. She will be deeply missed by everyone who was ever fortunate enough to have known her. My deepest condolences to all her surviving family members. My prayers will continue for all of you. Peggy Coleman Denton

“ Great lady. Took us with her to visit her family in Virginia. There was an accident on the side of the road. An infant and family injured. She helped and got back in car, her shirt bloody from the adult. The infant was okay and she said the adult would be too. Brenda took me and my sister Jackie to our campus visit at Carson-Newman. Such integrity. She will be missed here on earth but know she is rejoicing in heaven!

“Brenda was one of the most loving and friendly person you could ever meet. I worked with her at RMC. We were in different building but spent a lot of time together with phone calls. I'll never forget the last time I saw her was at Wolf Creek Church at Bible School. She was with Jake and Kristie. Hadn't seen her in a while but she was so excited that we got to see each other. RIP my dear friend. Prayers for all the family and friends
