“ I knew Bud in high school. I did not learn of his passing until this week and wanted his family to know I thought highly of him. He was kind and very funny and always treated me as a good friend would. Hoping our Lord will hold you in his arms during this difficult time and my deepest sympathies to you all.###imported-begin##Carol Crawley-Ballard###imported-end##

“ *Life is but a stopping place,
A pause in what's to be,
A resting place along the road,
To sweet eternity
We all have different journeys,
Different paths along the way,
We all were meant to learn some things,
But never mean to stay...
Our destination is a place,
Far greater than we know.
For some the journey's quicker,
For some the journey's slow.
And when the journey finally ends,
We'll make a great step forward,
And find an everlasting peace,
As our special reward.*

Jeff, Theresa, Pat, and Stacy our hearts and prayers are with you at this most difficult time.##imported-begin##Charlotte Davis Evans##imported-end##
