A Letter from Heaven

When tomorrow starts without me,
and I'm not here to see,
If the sun should rise and find your
eyes, filled with tears for me.

I wish so much you wouldn't cry,
the way you did today,
While thinking of the many things,
we didn't get to say.

I know how much you love me,
as much as I love you,
And each time you think of me,
I know you'll miss me too.

When tomorrow starts without me,
don't think we're far apart,
for every time you think of me,
I'm right there in your heart.

“ Buddy was such a great guy. He took me on one of my first dates, we were nothing more than friends, but that's the kind of guy he was, my family knew him and let me go. We all went our separate ways over the years, I often wonder about my ole friends. I'm so sorry for your loss. My prayers are with you and your family.
