“ We want to extend our heartfelt sympathy to all of Carl's family and to my sister Pat. The passing of a loved one is always a very sorrowful and difficult time. Carl lived a good, full, and long life right up until he breathed his last. His life enriched those who passed before him and those he left to will always treasure the memories they now have.##imported-begin##Sheri and Dan Kelly##imported-end##

“ Paula and I only had one opportunity to enjoy Carl's hospitslity when we visited him and Pat last year. He impressed us both with his wonderful tales of harness racing and the "Good old Days". Our hearts and prayers are with Pat and his family.##imported-begin##Jim and Pauls Rice##imported-end##

“ I have logged on to this site two or three times and have not been able to write anything because I couldn't refer to Uncle Carl in the past tense.

When I see Uncle Carl, he is with a smile, always, always smiling, he has on his cap to hid his thinning hair, he is dressed in jeans and work clothes because that is what he always did – work. A strong presence but generally quiet. Always a youthful exuberance in building or doing anything. I will always remember him this way.

I have been blessed to have him in my life and will miss him. But the impact he made within us all will live on and on.

“ Dear Carleen, Richard and Cliff,
I am sorry to hear about your Dad and my "Great" Uncle Carl. When I use the word "Great" I truly mean it in so many ways. I have such fond memories of spending time with Uncle Carl. From going to Rosecroft Raceway to him visiting me at work to purchase a ring shaped like a horseshoe. It was just wonderful being around him. My mom (Valarie) speaks of all you often. It would be great if we could plan a family reunion in the near future. In the meantime, please let me know if there is anything I can do to help through this process. I will see you on Saturday.

“ *Family,*

I know how difficult this is, I have some many fond memories of going to the race track with Uncle Carl to work with the horses. I am glad to have been able to do the family research.
