“ Sending prayers and comfort to Kim and family. I have many fond memories of Carol (and Kim) as a young person. As I remember back, my cousin, Renee, and I spent a lot of time with Kim and Carol. They really were our mentors. They had a youth group at our church. We also went roller skating, and Ice skating. And we just spent a lot of time at their house. They were great Christian role models. I haven't seen them much over the years but they were an important part of my child hood. Thank you, Carol for touching my life and I'm sure, so many others.

*Carol was a wonderful Sunday school teacher to our children. Caleb (6) is missing her greatly and Sarah (9) is treasuring the Bible she was given by Mrs. Carol when she graduated out of her class in June. She did so much.*

*I am thankful for the time I did get to know Carol. I worked with her at Cedine. She was very thoughtful of others and shared cards to those who gave to Cedine and she made calls to others. She helped out in so many areas of the ministry, wearing many hats. She will be missed in many ways.*
