“ I've only known Carolyn for three and a half years. I was so glad to be able to know Carolyn and love her. She was such a special person who loved her family so much. I could see it in her eyes and the way she would talk about them. She was so proud of her family. I will miss her so much.##imported-begin##Sharon Reed##imported-end##

“ To the family of Carolyn,
I recognized the name and then the face of Carolyn as I was looking at recent visitations. I worked with Carolyn at the Rhea County Nursing Home many years ago. She was a very sweet, caring person who took wonderful care of the residents. I was sorry to see she passed away. May you find comfort in knowing she is at peace now.##imported-begin##Donna Carter##imported-end##
