“ Carolyn told me last Aug. when my mom died(lois), that she was taking over for my mom and she would be there for me if I needed anything. Little did I know that her offer would be a life changer for both of us. We became as close as a mother and daughter could be. She was a my friend, my guide for questions about The BIBLE and Our LORD that I was struggling to understand. Her love and faith for GOD was so strong, she was ready to go home to him. She fought such a hard battle at the end, but never gave up hope on helping her family to LORD, because her only fear of dying was never being able to see all of her family, friends, and loved ones again. There is a hole in my life where she had been, but she will always be in my heart and watching over us. I love and miss you but know your in a better place with all those we have already lost. I'm keeping my promises to you. Love, Charlotte King Henley
