“ Pop,
We really love you and value our times spent with you over the past 18+ years. You showed us how you truly enjoyed life, friends and lived for each day! You welcomed us in your home anytime and made us feel like family and loved by you. We know that you are enjoying heaven with friends and family that went on before you. Imogene, Seth, Kim, Brandon and Chuck our loss in heaven's gain and Pop has a new body now and is not suffering anymore. We all will miss him but we have the assurance in knowing that one day we will be with him in Heaven.

Please remember, we are just a phone call away and will help all of you with anything we possibly can.

Love and prayers to our precious family of friends,

“ Imogene and family,

My wife and I would like to extend our condolences to you and your family for your loss. I'm sorry I cannot be there to mourn the loss of a dear friend from being deployed overseas. When I think of Carson, I think of all the great times we shared traveling on the bus with the Eternals, and the many people that I saw saved from testimonies of his faith in God. Carson had a big impact on myself as a musician as well as a person. He will truly be missed.
