“ So many memories of your Mom and our youth spent at Morgantown Elementary School. Spending the nights with each other, even on school nights. Our Mothers were independent women way before it was "the" thing to be. Know that I'm thinking of you and your family at this time.##imported-begin##Margaret Jones Runyan##imported-end##

“ Granny,

This day is sad but also happy. We are so grateful to have had so many years to share with you and especially the last few years. It was so great having you up in Virginia and being so close to you. We enjoyed all of our time together over the holidays, playing bingo and laughing. We will cherish all of the memories and we will always love you.##imported-begin##Todd, Angie, Travis and Abby Lehman##imported-end##

“Granny - we will miss you bunches and bunches. You were such a character and always made us laugh. We loved your stores and the time we were able to spend with you. Thank you so much for that. You were our Angel on earth and now our Angel in Heaven!

Love you always . . .
