“ The amount of people that has stopped and talked to me from Bledsoe to Dayton and told how great of a man he was and how he will be missed has been the most amazing feeling in my heart... He has touched so many people's lives and I agree with those people so much. He had a beautiful wild child soul with so much love to give.. I'm so thankful to be one of the people he was always there for and helped out with any questions I had about life with no judgement. I love you Chad!! Love your stepdaughter, Kendra

“ *Chad, I didn't know you well, but if there is one thing I know, it is that you've impacted a lot of people with your sense of humor and the joy you brought to other's lives. That is evident in the number of people the past few days that have expressed how much they love and miss you. Including your daughter, who loves you so very much. You will be missed by so many. Praying constantly for Sami, Chads Parents, and family and friends. Let us know if we can help in any way.*

“ I wished I could be there! Chad was one of a kind. I remember growing up on 14th ave where myself and cousin used to come up and hang out with Chas, his brother and other neighborhood kids. We would ride 4 wheelers, motorcycles, bicycles...good times. He always made people laugh! You will be missed Chad!
