“ *This world has lost a good Man, and for many, a good friend. Scoot could light up a room without saying a word. Famous, in our childhood days, for his wicked sense of humor and talent for playing the drums. Scoot stuck out in the crowd by wearing a variety of interesting hats, which were his trademark! My favorite was the flat cap he wore, along with the scooby-doo voice-overs he was fond of! The only thing I can fault Scoot for is leaving us too soon. Praying his beloved Father, Don was the first to greet him across the veil. Scoot will be missed much.*

May God bring peace to his family during the days ahead.
