“ *My fondest memories of Charlie involve food! He was always making something for us to eat. Jerky, cake or a big ham. We always looked forward to whatever he had fixed for us.*

“ When I met Charlie he seemed a quiet and reserved kinda guy. Then I got to know Charlie. He was the kind of person that was very easy for me to like. Many times I enjoyed venison jerky that he made for us. He shared some fabulous foods he prepared for us. I always enjoyed talking with Charlie. Especially when he told me to make sure Suzie at her fruit in her lunch!
