“ *What a great man. I remember at a young age my mom worked for him at Charlies & More. He was always so good to us. The last few times I took my papaw to the Dr, Chuck was also there. It was good catching up with him on those dates. Prayers for his whole family.*

I was very very saddened after hearing of my dear friend, Chuck's passing. Chuck and I go way back and became very good friends back in 1990. I met Chuck thru my job as an Insurance Adjuster when I had a fire claim in Rhea County, TN. Chuck taught me a lot about arson fires and I even took one of his classes on "Identifying Arson Fires". After many years of knowing Chuck, he and Sue then became our neighbors, living only a few houses up from me in Five Point Estates in Dayton. Chuck was always there for me when I needed him. Sometimes I would fill in for him, playing at a gospel singing for the group he played for, which was Joy Harvey and Persuaded. Not knowing that Chuck would soon follow Joy to heaven only a month and three days. I sure am going to miss my friend. I could not be here when he passed because I was working in Houston, TX after Hurricane Harvey, I hated I could not pay my respects. RIP Chuck. I pray that God will comfort Sue and Chuck III.

“ He was one of my favorite customers when I worked at Subway. He always had a friendly wave and spoke when he saw me even years after I quit. He was a neighbor of my mom's and will be greatly missed. I am so sorry for your loss.

“ I have only known Chuck for 2 months, living next door to him, he treated me like his own son. He took me under his wing and taught me things I never knew. He was a great friend and will be missed dearly. I only wish I got to know him longer than I did and could have learned more from him.
