“ He was such a special person. He loved his family and friends with all his heart. He will be missed by all. He was my ex-husband, a wonderful father to our 3 girls and his 2 stepdaughters but most of all my best friend. I will miss our phone calls and times spent together.

I'm sad to hear this. I use to work with Charlie at Tennessee Valley Performance Products before Fuji Hunt bought them out. Charlie was always cheerful and easy to get along with. He was a great worker and did his job well. Everyone liked him. My condolences to the family. RIP Charlie.

“ *This man right here has been more than just my papaw he was my friend the person I look up to the most someone I tried to be like in more ways than one loved it when I would come down the ferry and see his truck sitting there he's the only person that used to beat me to the water he taught me so much over the years and if I wasn't sure how something worked or how to do something or needed directions to get somewhere his house was the first stop because he seemed to know a little about everything and if he didn't know he would find out. I loved when he would call wanting me to come try to fix his stuff most the time something simple sometimes stuff I had no idea about but he would explain it to me and we would figure it out. He saved my butt on more than one occasion and I know if I needed absolutely anything I could call him and he would be there he would call and yell Trina you busy or Trina are you in town or are you at work was the last one Sunday night when he called I told him no but I did Monday night so me and titan would be there before I went in he asked what he was doing and I said being bad like usual he said no not my boy and laughed I'll miss those phone call and most of all sitting out under the shed talking about nothing and everything me and titan love you and miss you so much I hope your sitting there cat fishing right now*

“Peggy, I am so very sorry to hear about Charlie's passing. At one time, he was partly my dad as well as much time as we spent at each other's houses when we were younger! Please know that you and your family are in my thoughts and prayers. Love you Sister! Amy Howard
