“ I have been visited several times each year by Charlie at my store(lee Ann's Fruit Market) I enjoyed every time very much. He always kept me updated on where all the kids were and what they were all up to. I will cherish all the memories and i will miss seeing him. He would usually have a joke to tell me before he left. One thing that struck me after each visit was the fact that he never complained about how he was feeling even during his treatments. That should be a testimony to all of us. I hope and pray that I might have even half the courage and dignity to face lifes battles that were exemplified in Charlie every time he visited me. I love that he would take time to come by. It really has meant a lot to me. I don't guess that he actually knew how much I needed it, but then again maybe he did. My love and care is sent to each and every one of you. love always , Lee###imported-begin##Lee Ann Morgan Hays###imported-end##
