“ I just want everyone to know exactly how Chris empacted our lives. When Jay and I met Chris was also working at Lenscrafters. Linda played such an important role in the beginning of Jay's career. He would always attend CE's with her and her husband. Well years went by and Chris came back into Jay's life when he was employed at ECCA. It wasn't but a few weeks ago Jay took Chris out on the boat. I know he has been through so much with the loss of his entire family but her is forever with them now. I can honetly say I will miss the few opportunities I had to hear that sweet southern accent of his. Don't worry about us Chris we will be with you again soon as well. My thoughts are with the family.
