“ Christina was a loving soul. She enjoyed life and gave the best she could give.
She still smiled.
She never gave up hope.
An angel now has her wings. One of my photos of a rafting trip we enjoyed together reminds me of her wings.

“ Why did you leave me, Hef? You weren't suppose to go and leave me here by myself. I really don't know how I am going to live without you. I hope you and Dad found one another, because I know how much you wanted to be with him again. I miss you so much and I love you. You're gone, Hef, and I am still here. Love, Rebel

“ *Christina was so full of life. She was loved by so many and had a smile to brighten your day. There was never a dull moment with her around. She will definitely be missed by so many and will be remembered for her funny, kind and loving ways. She would cry with you, laugh with you and always leave you with a smile. It will never be the same without her, I'm very proud to have known her and have had her as a friend. Love you chick always*
