“ *I posted this once but I don't know where it went so I'll post again. Aunt Chris had a sense of humor but didn't always know she did. She would say something funny or we thought it was funny and we would all be laughing and she would want to know what we were laughing at. All the time we were laughing at something she said or did. Plus when she gave me a card she always spelled my name Jannett.....lol as I'm doing this, it's Janet. Those are some of the memories and little treasures you never forget. ❤️*
