“ I never knew a more colorful lady. She'd tell it like it was and get you to laugh about it in the end. She could do anything she decided to do and be good at it too- drive a semi or a dump truck, cook amazing gourmet food, paint a canvas, go fishing with the best of them, dance like nobody was watching and open her door and feed anyone without a safe place and a meal. The world was lucky to have her and so were we.##imported-begin##Sarah Best Malone##imported-end##
