“ To the King Family: Some 50+ years ago, Danny and Rose King were our friends. We lived at the foot of the mountain in Daisy. They would visit Aunt Iva and Uncle Lester Bunch across the highway from where we lived. I remember them walking to our house and playing with us. That was many years ago and I am not sure they even remember us, however I recognized the name and looked to see if he had a sister Rose. I send love and prayers on behalf of my family.
