“ I am so sorry for your loss. I remember staying with Aunt Helen and playing with David and Judy when my mother Nellie Reed would visit Dayton. My older brother Butch and sister Betty would always end up hanging with Jim and Buddy. After my mother moved back to Dayton, she would always keep me updated on my cousins, including the entire Lawson family. She always said that David was so much like his mother; she meant that in a loving way. Rest now, David.

“ *My condolences to the family. I worked with David at the Chevrolet garage many years ago here in town. He was quite the character to work with. Always upbeat and always had a joke to share with us, it was never dull. It was a pleasure to know him and work alongside him.*

“ *When we were growing up, we were neighbors with the Lawsons for a time . David and Judy and my brother Ncky an I would have huge army fights with the Hedge apples from Miss Marchie and Versie Jame's tree. We always got along good. He was smart in school, but being a boy, he didn't want people to know. I am so very sorry for your loss.*
