“ My dear friend David. I will miss you so much. You were a wonderful friend who was loved by all. I will never forget our last conversation. You were so very excited about going to chattanooga with your dad to have thanksgiving dinner. I only wish you could have been there with your family. My heart goes out to all of your family for their loss. Love you always David. The Lord has another angel by his side now.

“ R.I.P. David. My heart is broken at the news of your passing. Wasn't long ago we sat on a bench at the auction; reminiscing about going to the carnival and strawberry festival parades together. We were cousins but most of all best friends. Time and life separated us but we found each other again at the auction. You always gave me a hug no matter where we were. I will miss you tremendously. My thoughts and prayers to family.
