“ *Dave was not only my cousin but he was also a brother and best friend to me. I so sorely miss him every single day. I am so glad I had the privilege to spend so much time with him. Through thick and thin we stood with each other having each other's back. I can only hope that some day we will meet again. To a man I have the utmost respect for. William David Schrimpsheer I will always hold your memory close to my heart. I love you brother.*

“ I have such fond memories of David . . . going all the way back to the notorious Doug Hentz jeep wreck of '80. David was always polite and caring, with a subtle, dry sense of humor. I hope his family and loved ones find comfort in the fact that David was really, REALLY well liked and respected.

“ David was always friendly and helpful. Even when work was stressful for all of us and weird things kept happening to the DyeHouse systems, David was cheerful and positive. David could actually run the Dayton DyeHouse with out the help of the computers. I think he called just to keep me honest.

*He is and will be sorely missed.*
