“ *My little angel,
I love you and miss you so much. I'm so sorry no one was there to protect you when you needed it most. You have touched all of our lives, and we are all better because of you. I'm so thankful we had you, even for a short time.*

I see you in the stars at night, in the morning sunrise, in the diamonds reflected in the magical Christmas snow, in all things of beauty that take my breath away.

I would gladly give my life to have you back, little angel. You are in our hearts forever. We all miss you terribly, maybe your brother most of all. Your spirit is with us, and we will hold you in our hearts forever.

*Love,
Nanny##imported-begin##Jenny Emmel##imported-end##*

“ eternal love

*i kno that you are with me,
regardless of how it seems,
For you come to see me,
once upon my dreams.*

*Reminding me of your love,
to strong for death to part,
so strong nothing can take it away,
what lies eternal in my heart.*

*I dont let you see my tears,
and i wont let you hear my pleas.
For i simply comfort myself
with things i call "memories."*

*physically you are forever gone,
however,your soul is never to far gone,
because eternel love dosnt die,
and eternal love you are.....##imported-begin##brtinay pry

“ I will never get over this, I loved this baby more than anything. Her smile was like a light when you came into a room she was in and she was a pistol. She could get into something faster than most of us can move. I can only imagine how happy she will be in heaven but we miss her so very much.##imported-begin##Patricia Jedlicka##imported-end##

“ I am so sorry about Destiny's death. Her smile was given without cost; a treasure that has no rival. I won't pretend to know your feelings right now. God does, because he had to watch his son die. He showed his grief by ripping the temple curtain apart, causing darkness in the middle of the day, and sending an earthquake(Matthew 27:45, 51). God didn't take your child in the sense of causing her death because he said "he is not willing that any should perish"(2 Peter 3:9). God gave his son life again, because every father loves his children. Destiny was also a child of God (Romans 8:17) and the Lord's prayer says that God is Destiny's Father in heaven. God gave Christ life again, because he loves his children, and that son said that the day would come when Jesus would come with a loud voice and wake Destiny up from the sleep of death (John 5:25). Until that day, God comfort you; faith and family support you.
Respectfully;
