“ So very sorry to hear this. Dick and I were first cousins -- his Dad and my Mom were brother and sister. Although I have not seen him since shortly after he and Leah married, I kept up with him somewhat through our Aunt Dorothy. He was a good man, and I know he will be missed.

“ Dick Bowers and I were cousins, with the same first name. I am so sorry for his loss, I visited with him for the last time at his daughter Bonnie's home in SC. As little boys, we were often together with our grandfather and our cousin Barry, we were all born within about six months of each other. I always admired what he did with his life, his dedication to his Ministry and to his family. My thoughts and prayers go out to his wife and his family. He was a good and kind man and I know he will be missed.

“ I have been friends with Dick for over 60 years. From our days at Mikado Baptist Church in Macon, Ga. to Tennessee Temple College and then over 50 years of support for Dick and Leah and then Joan in their ministry in Kentucky. Dick was an extremely talented musician and story teller. He could play any musical instrument and then some. It was a pleasure knowing and supporting you for all these years. Terry And Karen Kathan
