“ I remember her as having a great sense of humor and always chuckling about something. She is a part of my childhood memories from our wonderful church family. I treasure all of those wonderful people we were so blessed to grow up around. I remember how she loved her sweet Bill and the grief of that parting, way too soon. They are rejoicing together now without any doubt.

“ Dorothy became a member of our family when she moved to Knoxville. She was not only a sister in Christ, but became the sister I never had. We spent many hours together attending church, praying, singing, shopping, laughing, taking vacations all the things true family and friends share. We supported each other in sad times and rejoiced together in good times. Today my heart is sad, but I have MANY wonderful memories, and I KNOW Dorothy is celebrating with our Lord. My Prayers are with Sally, Craig and the whole family...May your good memories and God's love bring you peace. With Love Evelyn Hayes

“ Dorothy Chapman was my wonderful mother-in-law. She accepted me with open arms, loved me like I was her own, and was a wonderful, wonderful woman!!  
She was a true godly woman. she really did enjoy talking about the Lord and rejoicing in him!  
We used to sit and talk on the phone for hours. We would talk about everything. I really enjoyed our talks!!!  
I will miss you Dorothy! I know you are rejoicing with Jesus, your family, and you are in a lovely place with no pain. I know you are so excited to be in heaven. We will all rejoice with you in no time at all!  
I love you!!!  
Your daughter-in-law,  
Ginger

“ Remember meeting Dorothy back in Clarksville TN at Sally’s house and many years later visiting her at her home in Knoxville. There was lots of laughter and joy.

Sally I hope you can fill the love and prayers I’m sending across the miles. We know your Mom is sitting with Jesus pain free and happy. Find comfort in that and all the happy memories.

“Granny” Chapman was a wonderful godly lady. She was a neighbor of mine when I was growing up at the bottom of Bryan Hill. I remember going over to the Chapman home and hearing her play the piano. Sally was the only girl in our neighborhood other than the 3 Steele sisters. We would play softball in the yard. We loved the family greatly!
