“ I am praying for you all! this is such an awful tragedy for such wonderful people to have to go through. I wish that I could take the pain away, and I will do all I can to help in anyway. Eddie is such an awesome person and is loved by many, I loved when he would come by and visit at the store. He was so full of life, and had such great character. He will truly be missed, but always in our hearts and memories! Love you all!
