“ Yesterday was his birthday, I feel terrible, I thought it was on the 3rd, I thought about him the last three days non stop,in a very selfish way;something I should keep inside. I really miss him, what is terrible is that sometimes it hurts and sometimes it doesn't, how do you explain that. I miss more than anything all the random phone call we had.

Happy Birthday love

“ I really miss my Dad. I hope all his friends do to.This has been much more difficult to handle than I thought.At 44 I assumed I was a seasoned pro and could take anything, Ed's (dad) death hits me late at night when I'm winding down,This web site is the only link I have each night besides prayer,which I have done for him many many years.I offen wounder which ones he heard or felt. Maybe when he was layed up in the detroit hospitals,tennessee hospitals or possibly the florida hospitals.The funniest thing is, I was at them all...praying...Don't let the last year or two of his life fool anyone about his children, We been around him at least 44 years.....I hope this web site stays up for the rest of my life....Thats at LEAST 44 more years

Doug Scroggins
