“ *Chuck, we are so sorry for your loss. We know how close you and Eddie were and how much you loved him. We wish there was something we could do or say to make the pain less, but we know that only time will help lessen the pain. Look forward to the time when you will be able to think of your years as brothers and friends and feel joy from your memories where there is only pain now. You and Amy and the family are in our thoughts and prayers.*
